Have you always thought about auditioning for a musical but have been too nervous to try? Would you like to improve your vocal music ability? Would you like to meet some new friends and try an activity that looks great on your college application? The OHHS Theatrical Troupe will be having some pre-audition musical theatre workshops coming up in October. Join us at 4 pm on October 16 and 23 and at 1:15 on October 30 to get a headstart and feel more confident auditioning in December!

Falcons, have you ever taken a path when it seemed that everybody else was going in a different direction? Do you like to be creative when it comes to solving a problem? If so, then our word of the week is for you : Unorthodox. To be unorthodox is to go against the grain. It is when you have an unusual solution to a common problem. It describes an unconventional approach to things when everyone else does it in the same, expected way. Here it is in a sentence: Life and careers are not a straight line. Oftentimes, an unorthodox approach can result in surprisingly wonderful results. See the display case near the main office for more information about our word of the week.

Attention NHS Members: Looking for volunteer hours this semester? Sign up to take tickets at our home games for easy hours! Sign up in the Athletic Office.

Last night, the Falcon Girls' Swim Team traveled to John Glenn for a dual meet against the Bobcats. Despite the loss, the Falcons had some great swims. Congratulations to Olivia Miles for her first

long-distance 500 Freestyle, Oryana Dings for winning the 50 Freestyle, and Kaitlyn Hines for an amazing, come-from-behind victory in the 200 Individual Medley! The Falcons' next meet is against Standish next week on Wednesday.

Congratulations to Boys Soccer on beating Tawas in the District Finals last night. They will play Standish tomorrow night at 4:30pm here at OHHS. We will be the away team - so bring your white jersey!
