Happy College Month!!

Congratulations to this week's Falcons of the Week, Halee Jameson, Jacob Myslakowski, Logan Parker, Landon Vaughn. Please stop in the office to pick up your shirt, lunch, popcorn and slushy pass from Mrs. Rice.

Happy Birthday Mrs. Rexford!

Malikai Fend, a 2nd grader at SES, needs our help! Malikai was diagnosed with terminal cancer and we would like to help make his wishes come true. Starting today during advisory we will be collecting donations - help your advisory collect the most money to win donuts for your class. Our last day to collect will be Thursday, October 23, 2025.

Have you always thought about auditioning for a musical but have been too nervous to try? Would you like to improve your vocal music ability? Would you like to meet some new friends and try an activity that looks great on your college application? The OHHS Theatrical Troupe will be having some pre-audition musical theatre workshops coming up in October. Join us at 4 pm today and Oct 23 and at 1:15 on October 30 to get a headstart and feel more confident auditioning in December!

Falcons, have you ever taken a path when it seemed that everybody else was going in a different direction? Do you like to be creative when it comes to solving a problem? If so, then our word of the week is for you : Unorthodox. To be unorthodox is to go against the grain. It is when you have an unusual solution to a common problem. It describes an unconventional approach to things when everyone else does it in the same, expected way. Here it is in a sentence: Life and careers are not a straight line. Oftentimes, an unorthodox approach can result in surprisingly wonderful results. See the display case near the main office for more information about our word of the week.

Today in Sports
