Falcons, we all know how to be kind, but does the need to help others drive you to be better? If you live your life with empathy at the forefront, then this word is for you: Benevolence. Benevolence is the quality of being kind and helpful. It is the good will we apply to others, even if it doesn't necessarily benefit us. Here it is in a sentence: Thanks to Ms. Ziegler's benevolence, students were allowed to leave a minute early from lunch so they could go to their lockers before class. See Mr. Pilarski for more information about the prizes you could win with our word of the week.

NHS will be hosting a blood drive on Friday, October 3, 2025. Donation forms are available in Mrs. Rexford's room by her door. You must be at least 16 years old to donate. Any questions, please see Mrs. Rexford.
