Falcons, September is all about empathy. Exercising emotional intelligence may take effort, but that effort can help build a stronger community. This week marks the beginning of our word of the week for the 2025-2026 school year. Our first word of the week is: Compassion. Compassion is the feeling of deep concern or sympathy for another person's suffering. It is often coupled with a strong desire to help relieve that suffering. Here it is in a sentence: By showing a little compassion to those who are hurt, we can help them begin to heal. See Mr. Pilarski for more information about winning prizes related to our word of the week.

All students interested in trying out for the Ogemaw Heights Esports Team, tryouts will start today 3-5pm in the CAD Lab. Games that will be included this year will be Super Smash Bros. Ultimate, Rocket League, Hearthstone, and the newly added Overwatch 2. Please see Mr. Retherford in room 159 for any questions.

NHS meeting tomorrow, Thursday, September 4, 2025 after school in the library for ALL members.

NHS will be hosting a blood drive on September 26, 2025. Donation forms are available in Mrs. Rexford's room by her door. You must be at least 16 years old to donate. Any questions, please see Mrs. Rexford.
