

## Operating Millage Renewal Proposal

Voters will be asked to renew the district's operating millage levy of 17.9532 mills on non-homestead properties for a period of 10 years.

- Renews the operating millage at the rate levied in 2023.
- An operating millage generates revenue to support the operating budget. The operating budget funds essential day-to-day expenses.
- The non-homestead operating millage will have no effect on a homeowner's primary residence. It is levied on businesses, second homes, vacant properties, and rental properties not otherwise exempt by law.
- All registered voters living in the West Branch-Rose City Area School District can vote on this proposal at the polls on May 7 (or by absentee ballot beginning March 28).

**Vote May 7, 2024**
