

Logan Mills Memorial Scholarship Application

Logan was a determined young man, selfless, big hearted, and funny, he approached life with zeal and fire. He was a friend to many, a loving son, and a devoted brother with a contagious smile.

Logan had big dreams, one of which was beating his big sister in getting a bachelor's degree (kind of a big goal as she is five years older than him).

This scholarship will be awarded to a graduating Ogemaw Heights senior who shows character, good citizenship, and leadership. All applicants must complete an essay (500 words or less) explaining their future goals, examples of their character, and ways they've helped others.
