

The **2<sup>nd</sup> Annual Tree of Learning**, sponsored by the West Branch – Rose City Area Schools Education Support Partnership, is a thoughtful way to honor someone you love or wish to remember. Gifts to the “Tree of Learning” will provide special learning experiences to enhance the education of our WBRC students by funding mini-grants to teachers and scholarships to graduating seniors. Last year, the ESP Committee awarded \$63,000 in scholarships and \$5000 in teacher grants. Help us continue that today!

A gift of \$10 will add a single light (green in honor of and red in memory of) on the “Tree of Learning” Christmas Tree located at Ogemaw Heights High School. A gift of \$25 will add three lights. Donations are accepted through the month of December, 2020. For all donations, a special note will be sent to the honoree or his or her family to let them know they were thought of in this heartfelt way.

Make checks payable to ESP

Submit in person or mail to: ESP, Ogemaw Heights High School, 960 S. M-33, West Branch, MI 48661.
