Parents may send in a note or phone the school office **before 3:00pm** to arrange for a bus pass. For any phone call received after 3:00 we can **NOT** guarantee your child will receive the message. Include the name, address and phone number of where your child will be going. If you are picking your child up from school and this is not an everyday occurrence, please call ahead and we will notify the teacher to escort your child to the designated pick up area. All students being picked up from school will be escorted by school personnel to the sidewalk outside the east entrance. All adults need to wait in their cars and teachers will escort students to the car.

**DO NOT LEAVE THIS INFORMATION ON A VOICEMAIL AS IT MAY NOT BE CHECKED BEFORE DISMISSAL.**

## Bicycles & Skateboards

Students may ride their bicycles to school. They will park them in designated area by the upper basketball court and should provide a lock for them to prevent theft. To avoid any serious problems with parent and bus traffic, students will park their bikes as soon as they arrive at school. Students are to keep their bikes parked until the buses leave. Skateboards are not allowed.

## Communication Folders

Each elementary student receives a communication folder to be sent home and returned each day. It contains homework, notes and any other correspondence. Please check the folder and return it each day.

## Detention

Detentions will be served mornings from 7:40 am to 8:40 am in the office.

If a student receives a detention please sign the parent notification form and return it to school.

### Detention Expectations

1. Students must have homework to do or a book to read.
2. A student reporting more than ten minutes late will be required to stay for supervision but will not be granted credit for serving his/her detention.
3. Students are to remain in the detention area for the duration of the time.
4. Students are to remain quiet.
5. A student who breaks any of the above policies will not receive credit for serving the detention.
6. If a student is absent and cannot serve the detention by the day it was to be served by, he/she is to serve the detention on the next available day or it will be considered overdue.
7. If there is a conflict, parents are to call the school office **before** the detention is to be served in order to make alternate arrangements.

## Dress Code

The students of Rose City School are expected to attend school properly attired in accordance with good taste and the accepted standards in the West Branch-Rose City Area communities. The purpose for a dress code is to maintain an atmosphere that will not interfere or disrupt any student's educational process and recognize that in society there are appropriate and inappropriate clothes. If any student is not properly attired, they will be asked to change their clothes, or call home for a change of clothes.

Recommended dress and grooming guidelines:

- Bare midriffs, tops that expose undergarments, and halter tops are not considered appropriate and should not be worn.
- Tops with spaghetti straps are not acceptable.
- Skirts, dresses, or shorts may be worn, provided they are not shorter than where the student's fingertips fall when standing in a natural position with their arms at their sides.
- The absence of footwear will be considered a health hazard and will not be permitted.
- Attire with obscene language, offensive sayings, offensive designs, anything pertaining to or associated with gangs, violence, drugs, alcohol, tobacco, or of a sexual nature are inappropriate and will not be allowed.
- Swimwear, beachwear, sleepwear, see-through, extremely tight or revealing clothing will be considered distracting and inappropriate.
- Reasonable cleanliness of body and apparel is expected as a matter of health.
- Undergarments are not to be exposed.
- Specific health and safety standards may be required in physical education, technology education and science.
- Any apparel or grooming fad not covered herein will be regulated at the principal's discretion.
- Only flags of the United States of America, the state of Michigan, and the school flag may be displayed or worn on clothing.

Students who refuse to cooperate will be referred to the administration, which will make the final determination as to what is appropriate and/or what discipline to take. Students who refuse to correct or change the appropriate clothing will be disciplined according to the policy on Persistent Misbehavior.

## Lockers

Lockers will be assigned to students. Students may use only the locker that has been assigned to him/her. Any change of locker assignment must be done through their teacher. The care of the locker is the student's responsibility. School lockers are the property of the school and are subject to inspection to assure that they are being properly used and cared for. Also please see Search and Seizure in Section V.

The following are not allowed:

- Writing on lockers (inside or out)
- Stickers, tape, glue, or other sticky substances (inside or out)
- Opened beverage containers (juice, soda, water, milk)
- Anything containing inappropriate language or pictures
- Glass containers or glass mirrors

## Phone Use

Cell phones, MP3 players, tablets or other related electronic devices **are not allowed at school**. Cameras shall not be used without specific prior consent from the building principal and are not to be used in any school district locker room or bathroom. Students violating any part of this policy will have the electronic item confiscated and will face disciplinary action. The device will be returned to the student's parent or guardian during the normal office hours.

Classroom phones are available for school business; these phones will not ring from an outside source during the school day. If necessary, please call the main office to get a message to your child.

See NEOLA policy 5136 for more complete information. NEOLA policies are located on the district website under the Board of Education.

## Supplies & Textbooks

The general policy (required by state law) is that all materials which are necessary and required of students will be provided by the school. Parents are encouraged to purchase personal or special supplies for the student's individual use.

Students may be issued textbooks which they will be held responsible for taking care of and returning. The book number and condition of each book will be recorded by the teacher when issued. Students are instructed to check over their books carefully and report any existing damage for the teacher to record before accepting the book because any damage which was not noted at the time of issue will be charged to the student. Students will be charged for the loss of any book which was issued to him/her. Periodic book checks will occur during the school year. Students are asked to keep covers on their textbooks. This may be required by some teachers. Students are only allowed water in clear bottles only outside of the lunchroom.

## Valuables

If it is **necessary** for students to bring valuables or large amounts of money to school, it is advised that he/she leave them in the office.

## Visitors

Visitors are allowed at the discretion of the building principal.

## Hours/Drop-off, Pick-up Times

Classes begin at 8:45 and end at 3:45pm. Students will **NOT** be allowed to enter the building until 8:40 A.M. (unless they are attending the morning program).

Parents are asked to drop off their children in the drop off/pick up line at 8:45. School personnel will be assigned to supervise the morning drop-off. The same procedure will be followed in the afternoon at pick-up time. Those children not riding the bus will be brought outside by a staff member and parents will be asked to drive through the car line to pick up their student.

## Morning Program

The morning program is available at 7:45 for parents who work and need to drop their students off prior to the start of school. The students must go directly to the gym after being dropped off.

## Closed Campus

The school is considered a closed campus. A closed campus means that students must stay on school grounds and are not allowed to leave campus without being signed out at the office by an authorized adult.

## Signing Out Students/Authorization to Pick Up

Students will not be permitted to leave the building with persons other than their parent or guardian, unless a note or phone call has been received stating the identity of the person designated. The parent or designee must sign the child out of the office and write the reason for the child leaving and/or returning. The person picking up the student may be asked to show valid identification.

## Attendance Policy

West Branch-Rose City Area Schools recognizes the importance of attendance as an essential component for student success and achievement through the cooperative effort of parents, students, and school personnel. Studies of student achievement in school show a high correlation between good attendance and academic success. Regular attendance at school is also important because the habits and attitudes that each student develops early in life will carry over into his or her future education and career. The school policy tries to teach students the value of regular attendance; however, the primary responsibility for ensuring regular attendance rests with the parent and student.

## PROCEDURES

The following applies for the entire school year:

### **A. Perfect Attendance**

Perfect attendance is being in school every day with no tardies or early dismissals.

### **B. Excused Absences**

It is the parent's responsibility to excuse their child's absence. The parent or guardian should call the school at 343-2250 on the day that the student will not be in attendance (*or in advance whenever possible*). If unable to call, the parent or guardian is to send a note with the student upon that student's return to school. In order for the absence to be considered as excused\*, the notification (call or note) must be received in the school office no more than one school day after the day the student returns to school.

\*Excused absences are those caused by the following reasons:

1. Illness of the student
2. A family medical emergency (includes the death of a close friend or a relative)
3. Pre-arranged approved absence
4. A medical appointment (doctor, dentist, etc.)
5. Subpoenaed court appearance
6. Suspension from school
7. Attendance at a funeral

AN EXCUSED ABSENCE ALLOWS THE STUDENT TO MAKE UP ANY MISSED ASSIGNMENTS OR TESTS. The student will be allowed one day for make-up for each day of excused absence. Absences as a result of a suspension will require that homework be turned in to the teacher the day he/she returns. Students and/or parents are expected to collect homework before or during suspension and the student is to return with the work completed. Tests can be made up before school when the student returns. (*This may also*

*apply to other items of work that must be completed at school.*) Absences for reasons such as oversleeping, missing the bus, being suspended from the bus, being out of town without prearranged permission, etc. are considered as **unexcused**.

### **C. Pre-planned Absence**

Family trips are absences that are known in advance of the day of the absence. These absences must be cleared by the principal three (3) days in advance of the day of the absence. Students will be given a form for each teacher to sign. These absences will be counted toward the student's **accumulated** absences.

The following conditions should be met:

1. Vacations are to be taken with family members or legal guardians.
2. Personal, prior arrangement is made by the parent(s) with principal.
3. Arrangements with teachers for make-up work are made prior to leaving.

### **Make-up Work**

It is the responsibility of the student to contact his/her teachers for make-up work immediately upon his/her return to school.

### **D. Excessive Absences**

The following steps will be followed when a student accumulates 5, 10 and 15 absences each school year, regardless of reason: (School-related absences and absences caused by suspensions will not be included in the accumulated absences.)

1. Written notice will be sent to the parent or guardian when a student accumulates five (5) absences.
2. Written notice will be sent to the parent or guardian when a student accumulates ten (10) absences. A conference will be required for the purpose of discussing the student's absences and developing methods for improving the student's attendance.
3. Written notice will be sent to the parent or guardian when a student accumulates fifteen (15) absences. This will include a request to contact the principal and probable referral to the Ogemaw County Truancy Court.
  - Being at school on time and not leaving school early is also important to student success and achievement. Excessive late arrivals or early pick-ups (more than 3 in a marking period) will be factored when making the referral to the Ogemaw County Truancy Court.
  - Parents are encouraged to use Parent Connect via the internet to monitor their child's attendance. Please call the main office 343-2250 to obtain a password.

## **OGEMAW COUNTY TRUANCY COURT**

Truancy Court is a voluntary division program run by the Family Division of the Ogemaw County Probate Court. In order to be a successful student, good attendance is essential. In addition, attendance is mandated by the State of Michigan. There are numerous causes of absenteeism, and the Truancy Court will attempt to address the causes on a case-by-case basis.

Instead of becoming involved with the formal court process, Truancy Court will be an alternative, which, if successfully completed, will avoid a formal court record. More importantly, Truancy Court will help the child and the families succeed by offering assistance with the underlying cause of the absenteeism.

## Make-up Work

It is the responsibility of the student to contact his/her teachers for make-up work immediately upon his/her return to school.

## Lunch Program

### Food Service

Free and reduced price meal applications may be obtained from the office. One application may be completed for each child in the family, or one application may list all children in the family.

All students at Rose City School receive free breakfast and lunch. Students may bring lunch from home if they choose not to eat food from the lunch program. Food may **not** be brought in glass containers such as glass pop bottles; however, unopened containers of juice may be brought to lunch. Water is the only opened beverage that may be left in the classroom provided it is in a water bottle. Juice that has been opened will need to be finished or disposed of at the end of the lunch period. Al la carte items are also available for purchase in the kitchen.

## Medications

Because of state regulations regarding the administration of medications at school, it is requested that whenever possible, the student take his/her medications at home. No medications, prescribed or over-the-counter, may be administered without written permission from both the parent and physician. **Forms are available at the office.** When it is necessary to administer medication at school, the following will apply:

1. The teacher, administrator, or designee must administer the medication in the presence of another adult.
2. Prescribed medication must be administered specifically in compliance with instructions of a physician.
3. Signed, written permission of the parents must be kept in the principal's office.
4. Medication will not be administered or stored without the dosage, times to be administered, length of time to be given, and a parent's signature.
5. A log of administration of medication must be maintained.
6. Students may not possess medication. All medications must be brought to the office by an adult, stored in the office, and administered as outlined above.

## Non-Controlled Substances Policy

In addition to the concern about the sale or delivery of controlled and noncontrolled substances there is the concern of possession or use of controlled substances, and look-a-likes (caffeine pills, diet pills etc.). Because of the possible danger to the health and safety of the students, the following policy is in effect:

1. It is against school policy to sell, deliver, possess or use a non-controlled substance which may be represented as a controlled substance.
2. Proof of any one of the following is evidence of the above:
  - a. The substance substantially resembles a controlled substance, in appearance or shape.
  - b. The substance is unpackaged or is packaged in a manner normally used for illegal delivery of a controlled substance (baggie, envelope, foil, etc.)
  - c. The substance is not labeled as required by the FDA.
  - d. The substance has been represented as a controlled substance.

### **Asthma Inhalers**

A student may possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms or before exercise to prevent the onset of asthmatic symptoms at school or school sponsored events if the following conditions are met:

1. The student has written approval to possess and use the inhaler from the physician and the parent.
2. The principal has received copies of each of the above.

### **Head Lice**

When a case of head lice is discovered, the parent will be contacted. The student will be allowed to return to school when he/she is free of lice and nits (eggs). Upon return, the student must come to the school office for an examination. If lice or nits are found, the student will need to be retreated.

Upon the discovery of two or more cases of head lice in the same classroom at the same time, the students of that classroom will be given notification for parents. Similarly, if the infestation involves more classrooms, all students in the school will be given a note for parents indicating such.

### **Michigan Department of Community Health Guidelines**

## Student Conduct & Discipline Code

### Bus Transportation

Public school districts are not required to furnish transportation for the pupils that reside within the district; as a result, the privilege of riding the bus is one that can be withdrawn. The following rules apply to all students who ride the school bus:

1. Students are to follow directions the first time they are given.
2. Students are to remain in their seats while the bus is moving.
3. Students are to refrain from writing on, littering, or damaging the bus.
4. Students are to keep hands, feet, and objects to themselves.
5. Pushing, shoving, fighting, swearing and making loud noises are prohibited.
6. Students may carry cell phones but they are not allowed to use them while riding the bus.

Any student, while a passenger on a District transportation vehicle, who is guilty of an infraction listed under the **Serious** and **Severe** degrees of misbehavior in the Discipline Code MAY be given a consequence as listed in the Discipline Code as well as being denied transportation. In the event this occurs, the length of time transportation privileges are withdrawn will be determined by the Building Principal and Transportation Supervisor.

The driver has the responsibility of controlling the actions of the students while they are on the bus. Misbehavior (the violation of bus rules) will result in verbal warning(s) by the driver. In addition, the driver may require the student(s) to use a particular seat on the bus. If misbehavior continues, the driver will submit a written Bus Conduct Report to the Transportation Supervisor and the following procedure will generally be used:

- Step #1 Warning
- Step #2 Call Parent
- Step #3 One Day Bus Suspension - Action Taken by Administrator
- Step #4 Three Day Bus Suspension
- Step #5 Five Day Bus Suspension
- Step #6 Per Administration

A Bus Suspension means that the student is suspended off all of the buses. In the case of an unexpected day off, the Bus Suspension will be extended.

**SEVERE CLAUSE:** The order of consequences may be skipped and an immediate suspension given if the severity of the offense is sufficient enough to warrant such action in the opinion of the Transportation Supervisor.

### **Discipline Code - See also NEOLA policies 5610 -5611 located on the district website under Board of Education for complete information**

It is the desire of the West Branch-Rose City Area Schools to provide the students with a safe and orderly learning environment. In order for that environment to exist, it is necessary to establish and enforce rules and regulations that will guide discipline within the schools of the district. As a result, the following policy has been developed with the assistance of representatives from the various constituent groups within the district (Board of Education, central office, building administration, teachers, bus drivers, parents and students).

The West Branch-Rose City Area Schools follow a progressive discipline policy. To this end, types of misbehavior are divided into six sections according to the degree of misbehavior. The six sections are Class, Subject and Activity Suspensions; General; Serious; Severe; Expulsion; and Permanent Expulsion.

In addition, the consequences of violating provisions of the Discipline Code are tailored to the three levels of school (elementary, middle, and high school).

#### **Class, Subject, and Activity Suspensions**

A teacher is authorized to immediately remove and suspend a student from a class period, subject or activity when the student's misbehavior is so unruly, disruptive or abusive that it materially interferes with the teacher's ability to effectively teach the class, subject or activity, or the student's behavior interferes with the ability of other students to learn. Any student suspended pursuant to this policy shall not be allowed to return to the class, subject or activity from which he/she was suspended until the passage of one full school day from the time of the student's infraction unless otherwise permitted by the teacher who ordered the suspension.

The teacher must report the suspension and the reason to the principal and send the student to the principal for appropriate action. The teacher must then ask the parent or guardian to attend a parent-teacher conference regarding the suspension. Whenever practicable, the school counselor or social worker shall attend the conference and a school administrator must attend if the teacher or parent or guardian requests his/her attendance.

Students attending separate class periods throughout the day shall be permitted during the term of the suspension to attend other classes taught by other teachers only when the student's conduct does not rise to the level of requiring a multiple day suspension or expulsion in accordance with Board of Education policy and the Student Code of Conduct.

Any student suspended from the same class, subject or activity for ten consecutive days during the school year shall be given a formal procedural hearing for each additional suspension beyond the tenth day in accordance with due process requirements outlined in the district wide discipline code.

The policy shall be applied in a manner consistent with the rights secured under federal and state law to students who are determined to be eligible for special education programs and services.

### **Notification of Suspension**

When a student is suspended from school, the administrator (or designee) will notify the parent or guardian by telephone. In the event that the parent or guardian is unable to be reached by telephone, written notification will be sent home with the student and a copy will also be mailed home. A student will not be sent home during the day unless the parent has first been notified. Beginning in May the principal may assign suspensions to be served from the end of the year forward, meaning loss of end-of-year activities such as field day, trips, picnic, etc...

### **Suspensions & Expulsions**

A STUDENT WHO HAS BEEN SUSPENDED OR EXPELLED FROM SCHOOL IS NOT TO BE IN SCHOOL OR ON SCHOOL PROPERTY DURING THE DURATION OF THE SUSPENSION OR EXPULSION. Suspensions and expulsions may be appealed by following the guidelines in NEOLA policies 5610-5611 located on the district website under the Board of Education.

### **Student Code for Accessing Technology**

Use of district technology equipment and programs shall be for educational purposes consistent with the goals and educational directives of the district. Failure to comply with the following will result in the appropriate disciplinary action. The building administration has the right and discretion to deviate from the designated sequence of consequences and impose any of the set-forth disciplinary measures or any available disciplinary measure (such as loss of technology privileges, detention, suspension, expulsion, legal prosecution, or monetary restitution for repair or replacement of systems or equipment resulting from misuse or abuse, etc.) without first

imposing a less or more severe type of discipline and, in addition, may refer a particular incident of misconduct to the appropriate law enforcement agency.

### **Level 1**

Disciplinary actions:

- 10 day suspension of Internet use *and/or* WBRC Internal Network use

Level 1 Infractions include

- Installing or running programs other than those approved by the school
- Posting anonymous messages
- Allowing others to know password
- Wasteful use of resources and supplies
- Adjustments of settings on the computer or software
- Use of equipment for playing games without permission of the instructor
- Entering the Internet other than via the Acceptable Website Page

### **Level 2**

Disciplinary actions:

- 1 day to 10 days suspension
- Varies from 30 day suspension of Internet use *and/or* WBRC Internal Network use, up to total loss of Internet *and/or* WBRC Internal Network privileges for the rest of school year, and possibly into the next

Level 2 Infractions include

- Modifying or copying files/data of other users without their consent
- Use of the equipment or programs for commercial purposes
- Hacking or attempting to break into the network or any outside networks
- Unauthorized access to resources or sites (Rose City students are not permitted to log on to the internet without a staff member who has given permission and is present.)
- Using another person's account
- Stealing passwords
- Printing of inappropriate or unauthorized material
- Software or hardware theft
- Use of email accounts by students is not permitted without administrative approval

### **Level 3**

Disciplinary actions:

- Expulsion from school
- Total loss of Internet *and/or* WBRC Internal Network privileges for the rest of school year, and possibly into the next

A Level 3 infraction would be using the network or equipment for any illegal activity, including violation of copyright

Repeated violations of the code of technology use will be regarded as chronic misconduct and will result in loss of computer privileges.

## Counseling Services

Our school social worker services students in grades K-5. Services include: individual and small group counseling, career guidance, academic support, enrichment programs, and health education resources.

**Students wishing to see the school social worker need to request permission through one of their teachers.**

Referral sources frequently used, upon student or parent request include: AuSable Valley Community Mental Health and School Success, DHHS, and COOR Intermediate School District.

## Physical Restraint/Corporal Punishment

Corporal punishment means the deliberate infliction of physical pain by hitting, paddling, spanking, slapping or any other physical force used as a means of discipline.

A person employed by or engaged as a volunteer or contractor by a local or intermediate school board shall not inflict or cause to be inflicted corporal punishment upon any pupil under any circumstances. However, the person, within the scope of his or her responsibilities, may use such reasonable physical force as may be necessary:

1. To restrain or remove a pupil whose behavior is interfering with the orderly exercise and performance of school district functions within a school or at a school-related activity, if that pupil has refused to comply with a request to refrain from further disruptive acts.
2. For self-defense or the defense of another.
3. To prevent a pupil from inflicting harm on himself/herself.
4. To quell a disturbance that threatens physical injury to any person.
5. To obtain possession of a weapon or other dangerous object within the control of the pupil.
6. To protect property.

The following is a list of alternatives that have been developed by the district to provide direction for persons involved in the supervision of our students.

1. Assertive Discipline Plans for each classroom and each school bus with consequences designed to discourage inappropriate behavior.
2. Denying participation in school activities or transportation.
3. Conferencing with parents.
4. Behavior contracts with students and parents.
5. In-school suspension with supervisors.
6. Suspension from school.
7. Assigned work outside of school.
8. Rather than being a party to a physical confrontation with a student, involve a law enforcement agency. Use physical restraint and contact only as prescribed in the District's corporal punishment policy.
9. Referring chronic or recidivistic students to counselors, social workers, and/or local service agencies.
10. Recommendation of expulsion by administration keeping in mind the due process rights of students.
11. Plan and maintain programs and activities which positively reinforce appropriate student behavior.

12. Clearly define rules for students in handbook, etc., and distribute them to parents. Make sure all persons affected are informed.

## Grading & Report Cards

Instead of the traditional letter grades and percentages, "Scoring Scales" will be used, which will give teachers, parents, and students more of an understanding of how the student is performing towards their learning goals. Instead of knowing how many questions a student has right or wrong, parents will know what level of understanding their child has of a certain skill.

### How Does It Work?

Teachers plan each lesson around specific objectives from the curriculum and help students understand what those objectives mean. Lessons are planned with very specific goals in mind, goals which are made clear to students. Knowing the end goal helps teachers plan carefully, which, in turn, helps students effectively connect with their learning.

### How Will We Know They Have Learned?

Teachers use the information-gathering process known as formative assessment to determine what adjustments need to be made in the learning process in order to challenge each child to achieve. The formative assessment process gives teachers the detailed information they need to understand where each student is in their level of understanding, which is most critical factor for their continued learning. Students need regular feedback to know how they are performing and what they can do to reach their goals.

### The Scoring Scales

The Scoring Scales provide detailed information about what the teacher is looking for while assessing an objective on a scale of 0-4.0. This is where the real difference lies. You may remember from past school experiences that a 4.0 meant an "A". In the Scoring Scales, a 4.0 does not equal an "A" but is defined as going beyond what was taught in class. By our definition, the 3.0 level means that your child is achieving at grade-level and mastering expectations. The Scoring Scales take the guesswork out of where the students are and need to be and provide the essential information teachers need to create lessons, assignments, and assessments that reflect true grade-level objectives. The teacher can use that information to plan future instruction; the student can use that information to understand and adjust her learning; and parents can use that information to get an overall picture of their student's progress towards the learning goals. Having a specific target and being able to show a student's progress toward that target is what makes the Scoring Scales a powerful tool for teachers, students, parents, and caregivers.

**Note:** Fifth grade will utilize the traditional letter grade system.

Parent-teacher conferences are scheduled in the fall and spring of the year, however, parents should not hesitate to request to arrange a conference at another time if there are questions or concerns.

## Search & Seizure

School authorities will respect the rights of the students in their lockers, property and person, however it should be made clear to all that lockers are the property of the school. Lockers are assigned to students for the purpose of storing supplies, clothing and other items necessary for the student's education and physical well-being. Searches of student lockers, car or persons will be limited to instances where:

- It is suspected that a student is using the locker, car or other possession for illegal purposes; or, where evidence of breaking the law is present; or, where it is suspected that

## **BULLYING POLICY**

**For Additional Information see NEOLA Policy 5517.01 located on the district website under Board of Education**

West Branch Rose City Schools believes each student, regardless of age, race, gender, ability level, religious beliefs, national origin, sexual orientation (actual or perceived), or physical attributes, deserves the right to be educated in an environment that does not interfere with their educational opportunities or ability to participate in school functions or activities or receive school benefits, services, or privileges. To that end, acts of bullying towards another student or groups of students will not be tolerated and will be dealt with in a swift and serious manner. According to the Michigan Department of Education, bullying means any intimidating, threatening, abusive, or harming conduct that is objectively offensive in nature. Furthermore, there is an actual or perceived imbalance of power between the student engaging in prohibited conduct and the target of the behavior and the conduct is repeated or forms a pattern. The act of cyber-bullying which refers to bullying others by using technology or other electronic devices, or retaliation for asserting, alleging, reporting, or providing information about bullying or knowingly making a false report about bullying in any form are prohibited as well. Bullying does not refer to a one-time argument or disagreement between students. Our intent is to create and maintain a safe and welcoming environment by taking a proactive rather than reactive approach. To prevent or stop bullying or cyber-bullying behaviors we will provide ongoing training around anti-bullying techniques and strategies for all staff and students. If bullying occurs on any district property (i.e. school building, school grounds,

bus stop, walking route to and from school, school bus, school related vehicles) or at any school-related function, school-sponsored activity, event, or trip, the incident should be reported to the building's principal who will begin an investigation as soon as possible. If bullying/cyber-bullying takes place off of school property and impacts the educational process, it should be reported to the school. In the event an act of cyber-bullying has occurred the same protocol will be followed. If the result of the investigation concludes bullying or cyber-bullying took place the offender(s) could receive consequences ranging from written conduct reports to loss of privileges during the school day to in or out of school suspensions depending on the severity of the incidents.

## **Student Directory Information Notification**

Dear Parent/Eligible Student,

West Branch-Rose City Area Schools has adopted a policy designated to assure parents and students the full implementations, protections and enjoyment of their rights under the Family Education Rights and Privacy Act of 1974. A copy of the school district's policy is available for review online on the district website under Board of Education NEOLA Policy 8330.

This law requires WBRC to designate as "directory information" any personally identifiable information taken from a student's educational records prior to making such information available to the public. WBRC has designated the following as directory information:

Student name and address, telephone number, e-mail address, photographs, date and place of birth, major fields of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degree and awards received, the most recent previous school attended and other similar information.

This letter informs you of your right to withhold release of students' directory information. A form for this purpose is available through each building office. The objection needs to be reviewed annually. If you have no objection to the use of student information, you do not need to take any action.

I wish student directory information withheld from any WBRC publications (electronic or print) for the \_\_\_\_\_ ( school year) for my son/daughter.

I understand that educational records may be disclosed by court order procured by Assistant U.S. Attorney General or higher ranking government officials without prior parent/student consent.

Education records may be disclosed by school districts as necessary to either prosecute a legal action against a student or parent, or to defend itself against a student or parent, or to defend itself against a lawsuit initiated by a parent or eligible students.

Parents who claim students as dependents on their federal tax form have the right to access their education records even if the student has attained the age of majority.
