If the employee is unsatisfactory in the new position, notice and reasons shall be submitted in writing to the employee and the employee shall be returned to his/her previous position.

Section 4. Layoff / Recall

Seniority shall be the primary basis for determining the order of layoff and recall within the non-interchangeable occupational group. Any employee laid off may exercise seniority within the occupational group to be placed in any position within that group for which he/she is qualified.

Any laid off employee will be recalled to work at full pay and appropriate contractual benefits within his/her non-interchangeable occupational group when another employee within the same group is on an approved unpaid leave of absence or Workers' Compensation which exceeds two (2) weeks if the employer decides to fill the position. ARTICLE V GRIEVANCE PROCEDURE
--

Article V - Grievance Procedure

A. Definition

1. A grievance shall mean a complaint by an employee in the bargaining unit that there has been as to him/her a violation, misinterpretation, or inequitable application of a specific provision of this Agreement.
2. Grievances of the employees of the West Branch-Rose City Area Schools shall be presented and adjusted in accordance with the following procedures covered in the Agreement.

B. The following steps will not prevent any individual employee from presenting a grievance to the Supervisor and having the grievance adjusted, without intervention of the bargaining representative. A copy of all grievances must be given to the President of the Local Union. If the adjustment is not consistent with the terms of the collective bargaining contract or agreement then in effect, provided that the bargaining representative has been given opportunity to be present at such adjustment.

C. Failure to institute a grievance or to appeal a decision within the specified time limit shall be deemed an acceptance of the decision. Failure to answer a grievance within the specified time limit shall result in automatic appeal to the next step. In exceptional circumstances, extensions in time may be granted when so requested in writing and by mutual agreement. Time limits shall exclude Saturdays, Sundays, and days considered as holidays per Article XIV. A working day shall be defined as a day in which Central Office is open.

Step 1: The employee with a grievance shall discuss the grievance informally with the immediate supervisor within five (5) working days of the alleged violation, with the assistance of a Committee person at the employee's option. If the matter is not resolved within five (5) working days after the discussion, the following step may be taken by the employee.

Step 2: In the event that the matter is not resolved informally, the employee shall present the grievance in writing, within five (5) working days, with the assistance of a committee person, at the employee's option, to his/her immediate supervisor. The immediate supervisor shall file a written decision with the Union within five (5) working days after he/she receives the written grievance as herein before specified.

Step 3: If the above answer is not satisfactory, the Union may appeal the grievance to the Personnel Committee to be heard within five (5) working days of receipt of such answer. The Personnel Committee may consist of two (2) members of the Board of Education, as appointed by Board President, the School Superintendent, the appropriate administrator and two (2) members of the Local Union being the President and Vice President accompanied by the International Staff Representative. The grievant shall also be present. Both sides may call witnesses upon request. The Superintendent of Schools will render a decision on the grievance within five (5) working days.

Step 4: If the grievance is not settled at Step 3, the Union may file a demand for binding arbitration with the American Arbitration Association not later than fifteen (15) calendar days from receipt of the Superintendent's answer in Step 3. The Union must also serve the Employer with a copy of this demand within the 15-day time period. The American Arbitration Association will be used in the selection of the arbitrator, and the rules of the American Arbitration Association shall likewise govern the conduct of the arbitration proceeding.

- D. The conference, discussions and/or meetings in the Grievance Procedure shall be scheduled at a time when there is no disruption of normal scheduled routines and duties.
- E. The Agreement constitutes a contract between the parties which shall be interpreted and applied by the parties and by the Arbitrator in the same manner as other collective bargaining agreements. The function and purpose of the Arbitrator is to determine disputed interpretations of terms actually found in the Agreement or to determine disputed facts upon which the application of the Agreement depends. The Arbitrator shall, therefore, not have authority, nor shall he/she consider his/her function to include the decision of any issues not submitted or to so interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. The Arbitrator shall not give any decision which in practical or actual effect modified, revises, detracts from or adds to any of the terms or provisions of this Agreement. Past practice of the parties in interpreting or applying terms of the Agreement can be relevant evidence, but may not be used so as to justify or result in what is, in effect, a modification (whether by addition or subtraction) of written terms of this Agreement. The arbitrator has no obligation or function to render a decision or not to render a decision merely because in his/her opinion, such decision is fair or equitable or because in his/her opinion, it is unfair or inequitable.

- F. If either party shall claim before the Arbitrator that a particular grievance fails to meet the tests of arbitrability, as the same are set forth in this Article (Grievance Procedure), the Arbitrator shall proceed to decide such issue before proceeding to hear the case upon the merits. The Arbitrator shall have the authority to determine whether he/she will hear the case on its merits at the same hearing in which the jurisdictional question is presented. In any case where the arbitrator determines that such grievance fails to meet said test of arbitrability, he/she shall refer the case back to the parties without a recommendation of the merits.
- G. Unless expressly agreed to by the parties in writing, the Arbitrator is limited to hearing one issue or grievance upon its merits at any one hearing. Separate arbitrations shall be constituted for each grievance appealed to binding arbitration.
- H. The Arbitrator may make such investigation as he/she may deem proper and may, with the joint consent of the Union and the Board, hold a hearing and examine the witnesses of each party, and each party shall have the right to cross-examine all such witnesses and to make a record of all such proceedings. Within thirty (30) days after the close of the hearings, or the date established for filing post hearing briefs if so desired by either party. The Arbitrator shall issue the decision, which shall be final and binding.

I. Cost of Arbitration.

The fees and expenses of the Arbitrator, the cost of transcripts (if such may be requested by the Arbitrator), and the cost of the room shall be borne equally by the Union and the Board. All other expenses incurred shall be paid by the party incurring them.

J. Discharge and Discipline Cases.

In the event a member of the unit shall be discharged from his/her employment, the Union will be immediately notified, in writing, of such discharge. In all cases of discharge, a grievance, if any, must be filed in writing within ten (10) working days of the receipt of the notice of discharge provided in the above paragraph.

Any employee or group of employees who are called into any office for the purpose of discipline may request the presence of the Chairman of the Grievance Committee or other Committee person and such requests shall not be denied by the Board. Normally employees will not be disciplined or given any reprimand in the presence of students or employees (excluding grievance committee members).

Should the need for discipline arise, the Board agrees that the intent of the discipline will be to correct the employee. In determining discipline, the Board shall not consider verbal or written warnings which were issued more than twelve (12) months prior to the current penalty.

Such requests will need to state the date(s) and the reason for the absence. Requests approved by the Superintendent will be unpaid. Upon exhaustion of PTO time due to long-term illness, an employee will not accrue a negative balance into the next year with doctor verification. Credited days on July 1st will be calculated in hours based on average hours worked the previous year.
 - a) An additional half (½) day of PTO will be credited to each of these employees who work a minimum of two (2) weeks during the month of August. Anyone working over two (2) weeks during the month of August will be credited with a full day of PTO.

An employee returning from an illness leave must notify the Superintendent as to the employee's availability as soon as practical, but no later than thirty (30) days prior to the expiration of the leave. An employee returning within twelve (12) months of the beginning of the leave shall return to the same position, otherwise the employee will return to the first available position in the occupational group(s) within which the employee has seniority. Only during the first year of an illness leave shall the employee continue to accrue seniority and have insurance benefits provided on the same basis as though the employee had been working his/her regular schedule. After one (1) year, the employee shall be responsible for all insurance expenses and shall have his/her seniority frozen. A vacant position that needs to be filled due to an employee's illness leave projected to be less than one (1) year, will be filled by a substitute employee during the first year of the leave, and will be filled on a permanent basis thereafter. A vacant position that needs to be filled due to an employee's illness leave projected to be more than one (1) year will be filled on a permanent basis.
